## LETTER OF SUPPORT

### ERASMUS PLUS. EUROPEAN UNIVERSITIES 2023 CALL FOR PROPOSAL

#### EUT+ (European University of Technology)

I, the undersigned, José Manuel Pingarrón Carrazón, in the capacity of Secretary General of Universities, representing the Spanish Ministry of Universities, confirm the support of this organisation to the project with the title *European University of Technology – phase 2*, which will be submitted by the Universidad Politécnica de Cartagena as partner institution, to the 2023 Erasmus+ call for proposals to support European Universities Alliances together with Université de Technologie de Troyes (France, coordinators), Hochschule Darmstadt (Germany), Rīgas Tehniskā Universitāte (Latvia), Technological University Dublin (Ireland), Технически университет София (Bulgaria), Τεχνολογικό Πανεπιστήμιο Κύπρου (Cyprus), Universitatea Tehnică din Cluj-Napoca (Romania).

We therefore fully support this proposal besides other initiatives carried out by this Ministry in the framework of encouraging the development of European Universities Alliances in our country, such as the adaptation of our legal framework by means of [Royal Decree 822/2021, of 28 September](#) or the additional funding offered to these projects in the preceding calls.

Therefore, we encourage the European Commission to fund this project.

This document has not a legally binding character.
